

# INNER BEAUTY<sup>®</sup>

## Begonia

### Add living colour to your home with the Beleaf<sup>™</sup> Begonia Rex Collection

Beautify your home with these easy care, uniquely coloured Begonias. These magnificent plants will be enjoyed in your home all year round, indoors and out. The Beleaf Begonia Rex Collection offers four superb varieties each with its own unique leaf marking.

#### The Beleaf<sup>™</sup> Begonia Rex Collection

**Inca Fire** Vibrant red foliage

**Arctic Breeze** Metallic silver foliage

**Evening Glow** Crimson / silver foliage

**Indian Summer** Crimson shiny foliage

#### So Versatile

The Beleaf Begonia Collection offers compact bushy plants with striking bright metallic colours. The small leaves and a strong habit, ensures an ideal size plant to sit neatly on a shelf. Plus, more importantly these varieties support the 'house plants clean air program'... clean the air naturally in the home with these plants.

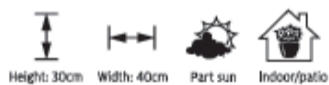

#### Easy to Grow

Beleaf Begonias high tolerance to powdery mildew ensures these varieties are easy to maintain.

**HABIT:** These varieties form a neat mound of brightly coloured foliage.

**POSITION:** Beleaf Begonias prefer a well lit indoor position. Also suitable for outdoor protected patio areas.

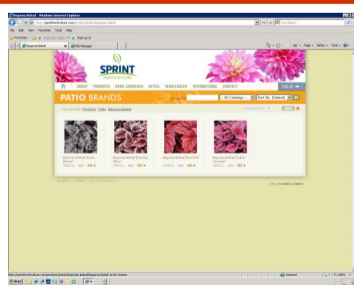

**CARE:** Water as required and liquid feed once every 3 weeks. Protect from direct sunlight in summer and from frost in winter.
